

### **Irrigation Service Technician / Manager- Start date ASAP**

T. Moscone & Bros. Irrigation contractors is a well established company that offers services in design, installation and maintenance for commercial and multi-family residential systems. We are looking for an honest, experienced and motivated individual to lead our service department. We have a relatively small customer portfolio and believe in providing the highest level of service.

#### **Applicants must:**

- Be capable of managing their own schedule as well as performing daily service calls.
- Be able to multi-task while looking after demanding clients.
- Be able to handle high pressure situations while remaining calm and courteous.
- Be well organized and reliable.
- Be physically fit and maintain a clean and neat appearance.
- Have a clean drivers abstract.

#### **Compensation/Benefits:**

- Competitive hourly wage
- Extend health and dental plan
- Vehicle/cell phone /tablet
- Industry Training Opportunities

Please send resume to [michelle@moscosebros.com](mailto:michelle@moscosebros.com), we thank you for your interest in our company.
