ltd.

We are a full spectrum Landscape Construction Company that has built some of Vancouver's most spectacular and challenging outdoor spaces. Our team is expanding and we are currently seeking an experienced **Irrigation Technician** who is passionate about building exceptional outdoor spaces!

This role is a mixture of installation and service calls - troubleshooting and maintenance of irrigation systems and low voltage outdoor lighting systems.

For more information and to check out some of our amazing projects, visit www.fossilprojectservices.com.

Selection Criteria

- Proven experience in installation, repair and troubleshooting of residential irrigation systems
- Stable work history with demonstrated commitment to past employers
- Excellent attention to detail and focus on quality finished work
- Certified Irrigation Technician Level 1

Compensation and Benefits

- Excellent training and support on the job and opportunity for certificate reimbursement!
- Competitive hourly based compensation depending on skills and experience
- Group health and dental benefits
- Strong career move - opportunity to advance and build a career in a successful and growing business
- Two weeks paid vacation
- Company sponsored events
- 40 hours a week, year round work

To apply, please email your resume and a cover letter to HR@fossilprojectservices.com. Thanks for your interest!
