[www.islandsmart.ca](http://www.islandsmart.ca)

Island Smart Irrigation, based in Nanaimo, BC, has been a leader in water-wise irrigation systems for over a decade. Specializing in drip and micro irrigation, we offer services in design, installation, repair and maintenance for residential, strata and commercial properties on Central Vancouver Island. We provide the highest level of service and professionalism to our large and loyal customer base.

We are currently seeking an experienced, detail-oriented, and motivated irrigation technician with safe work habits and the ability to meet heavy and fast-paced physical demands. This is a seasonal position ending in December 2018, with potential for annual contract renewal.

### Duties/Responsibilities:

- Install and service a variety of irrigation systems for residential, strata and commercial properties
- Conduct Spring start-ups and Fall winterizations
- Coordinate with manager and customers in order to plan and organize daily/weekly/monthly tasks
- Assist in creating work orders and completing job-related paperwork
- Operate and maintain landscaping/irrigation equipment

### Successful applicants must meet the following criteria:

- 3 years of irrigation or irrigation-related experience
- Valid driver's licence with a clean driver's abstract
- Irrigation industry accreditations (preferred)
- Be well organized, reliable and physically fit
- Maintain a clean and neat appearance
- Be able to handle demanding situations while remaining professional, calm and courteous
- Willingness to work in all weather conditions (rain or shine!)

### Compensation:

- Competitive compensation package based on knowledge, experience, and accreditations
