

Irrigation Service Technician

North Shore based Irrigation Company is looking for an experienced irrigation service technician, who wants more than just a job!

We are looking for a hard working individual, who eventually would like to be self-employed. Someone who shows the ability and commitment to growing the business will be rewarded with an opportunity for a partnership in the company (after a minimum of 2 years of service).

Our ideal candidate should possess these attributes:

- Desire to be self-employed
- Hard working and self motivated
- Professional, friendly and helpful
- Reliable
- Organized
- Trade related certification (IIABC)
- Knowledge of plants and their watering needs
- Low voltage lighting experience, an asset

Duties include:

- Start up and programming of irrigation system
- Assessing system performance and suggesting system improvements
- System trouble shooting and repair
- Installation and design knowledge
- Winterizing (blow outs)
- Paperwork (ie. keeping track of daily work)

Applicants must possess a valid Class 5 driver's license and have a minimum of 2+ year's experience.

We offer:

30 hours a week

Compensation will be based on experience and accreditation, \$20.00/hour and up.

Please forward your resume to: wallseid@telus.net, **Attention Robert**
